SEC v. Ripple Labs Inc., et al., No. 20-cv-10832-AT-SN (S.D.N.Y.)

Dear Judge Torres:

Plaintiff Securities and Exchange Commission and Defendants Ripple Labs Inc., Bradley Garlinghouse, and Christian A. Larsen (collectively, the “Parties”) jointly request that the Court order the Parties to file on **June 13, 2023** public, redacted versions of their cross-motions for summary judgment and accompanying exhibits consistent with the Court’s May 16, 2023 sealing ruling. *See* ECF No. 819. Although the Parties had previously requested, and the Court had ordered, that public, redacted versions of the materials be filed 21 days after the Court’s sealing ruling, *see* Sept. 12, 2022 Order (ECF No. 620), which is June 6, 2023, the Parties now jointly request a one-week extension of that deadline in light of the voluminous nature of the materials and redactions. This is the first request to extend this deadline. The Parties further note that the Court approved a similar timeline for the filing of public, redacted versions of the *Daubert* motions, which were significantly less voluminous. *See* Dec. 21, 2022 Order (ECF No. 743) (approving three-and-a-half week timeline).

Respectfully submitted,

/s/ Ladan F. Stewart
